

# MAX GARCEAU

## FULL STACK WEB DEVELOPER

### PROFILE

Enthusiastic and self motivated web developer with 4 years of web development experience and a passion for clear, concise, maintainable code. Created a dynamic WordPress theme installed on over 25 sites, an automated WordPress theme able to be customized without any additional code, and a maintenance mode plugin for new websites that display to users what stage of development the website is in. Currently working on open source, non-profit, and client projects.
